

Return to Participate Safety Plan: Loveland Classical Schools Athletics and Activities

Starting July 1, 2020

Loveland Classical School, in conjunction with CHSAA and Thompson School District, will begin voluntary sports gatherings, camps, and open gym schedules, with the hope of beginning regular Athletic events beginning in August, 2020.

The following are the guidelines under which the previous will begin. If for some reason, these guidelines are not being met, the particular voluntary gathering, camp, or open gym will be cancelled. If the federal, state, or local plan for dealing with Covid-19 changes from the current “Safer at Home Plan” and the “Return to Play Plan”, we will update these guidelines to align with the new plan.

Guidelines:

- Administrators must monitor all Federal, State, Health alerts and be willing to adjust their plans to meet safety standards. These are fluid times and decisions require flexibility.
- Public gathering numbers must align with federal and state mandates. As of today, the guidelines are broken down into phases. Those Phases are:
 - Current Phase –
 - No more than 10 people indoors and no more than 25 people outdoors may gather for voluntary practices/camps/etc.
 - Activities may not exceed 90 minutes in duration.
 - A comprehensive health screening is required upon entry to voluntary event for coaches, participants, and Administration.
 - Social distancing per federal and state guidelines will be adhered to during all sessions as possible.

Signage should be posted in highly visible areas to ask the following:

1. Do you or have you had a fever in the last week?
2. Have you been diagnosed with COVID-19?
3. Have you been in contact with anyone diagnosed with COVID-19?
4. Have you or a family member traveled to a “hot spot” in the state?

There will be no use of locker rooms or shower facilities. Coaches and participants should report to sessions dressed to participate.

Sanitation is a high priority. All equipment should be sanitized prior to and after each participant’s use. Breaks should be scheduled in work-out sessions and between groups to disinfect all areas.

Timelines should allow a minimum of 15 minutes between groups. Staggered entry and exits of groups should also be included.

Each participant in the sessions should have their own personal water bottles for hydration. Water fountains may not be allowed.

Spectators (parents, media, etc) or non-essential individuals will not be allowed to attend or observe sessions.

WARNING:

Participation in Interscholastic athletics includes a risk of injury, which may range in severity from minor to long-term catastrophic. Student athletes must obey all safety rules, report all physical problems to their coaches or trainer, follow a proper conditioning program, and inspect their own equipment daily. In addition, because of the frequent close proximity of athletes involved in athletics, there is a risk that a player(s) may become sick with COVID-19 (Coronavirus). Players must obey all COVID-19 related rules and guidelines as explained in this document and with any updated or changed guidelines per federal or state guidelines. By signing this permission form, I acknowledge reading and understand this warning and the risks assumed. I hereby give my consent for my child to participate in athletics/activities sponsored by Loveland Classical School.

I have read all the information herein, and have provided accurate information. I also authorize my child's coach/sponsor/athletic director to secure emergency medical treatment in the event of an injury or accident. Loveland Classical School coaches and/or sponsors will attempt to contact parents or guardians as to the injury or accident.
